The latest version adds new controllers and full compatibility with Windows 8 multitouch surfaces.. A survivor, Virtual DJ has been making music for millions of users for more than a decade.. Atomix Productions' Virtual DJ Free not only mixes and mashes beats from a classic two-deck console, but also it serves as audio central for your system since it also records audio and video, burns discs, and even broadcasts online using a radio server or your own PC as a client-limited server.
